

body upon a deposit of \$200.00 payable upon notification of admission. This deposit is not refundable if for any reason withdrawal occurs later than thirty days prior to proposed entrance date, since such withdrawal may create a vacancy which otherwise would have been filled. This deposit is credited to the year's account of the entering student.

The yearly fee is payable as follows:

	Full Fee	Reduced Fee
Deposit upon notice of admission	\$ 200.00	\$ 200.00
On entrance	\$ 400.00	Two-fifths of the balance
Opening date of next quarter	\$ 400.00	Two-fifths of the balance
Opening date of third quarter	\$ 200.00	The balance

If a student attends all four quarters in a given year, the extra fee for the fourth quarter is due as follows: one half of fee for this quarter thirty days prior to opening date of quarter; balance on opening date of quarter.

For students entering more than three weeks after a quarter has begun special adjustments will be made.

The only other fees are:

Application fee	\$ 5.00
Contingency deposit	\$ 25.00
Examination for graduation	\$ 25.00
Fee for late payment of any bill	\$ 10.00

The application fee must accompany application for admission to the College and is not refundable. The contingency deposit of \$25.00 is payable upon entrance. While a student is in attendance it must be maintained, but any unused portion of it is refunded upon graduation or withdrawal. Bills are payable on the date of the bill and if not paid within ten days are subject to the fee for late payment.

In cases where students are called into military service charges are made on an exact pro rata basis only for the time they have attended. Any amount in excess of this that has been paid is refunded. All future tuition payments although contracted for are of course canceled.
